

Morning Drop-Off Procedure

Shalom Austin ECP

Before you arrive...

Before you get to school every day, please complete the Daily Health Questionnaire using the Kid Kiosk App. Each child must pass the Health Questionnaire.

All family members must stay home if anyone in the home is ill.

Arrive at your scheduled drop-off time

On your FIRST day, you will be given a colored parking placard with your child's name on it. We have color coded each drop-off time and assigned ECP siblings to the same time. Your child's teachers will be on the front lawn, ready to receive their class during your drop-off time. Our goal is to keep our classes together in small groups, and not have extra adults encountering you and your children. If you arrive earlier than your time, please pull into a parking spot and wait for your scheduled time.

Arrive at your designated drop-off location

Infants, toddlers, two's, and their siblings will arrive outside the ECP.

Three's and Pre-K will arrive in the main Shalom Austin front circle.

Please drive into the circle counterclockwise

If you have one child, you will use the circle designated by their age group. Each family with more than one child will be assigned one time and circle.

Remember to mask up!

Children over three must wear a mask when their car windows are rolled down and when outside their vehicle.

All adults must wear a mask during this process.

Open your back window...

Wait for child's temperature to be taken

Temperature will be taken with a no-contact thermometer.

Assist your child out of the car

Staff will practice social distancing while you assist your child out of the car and gather their belongings. If necessary, staff may assist with holding your child's belongings.

If needed, park your car in a designated spot and proceed to the Checkpoint 2 line

To maintain social distancing, wait on a designated spot until you are called to approach the checkpoint. Your child's temperature will be taken using a no-contact thermometer.

One of your child's teachers will escort your child to their class

If necessary, place younger children in the red buggy.

Wave goodbye!

Wave goodbye and exit the drop-off circle so others may drop off their children.

Leave campus or go to your scheduled gym appointment

And know that your child is having a fun, safe learning experience at the ECP. See you at your scheduled pick-up time!
