### **When are parties offered?**

Saturday afternoons, times vary.

### **When can I arrive to set-up?**

30 minutes early if you are the first party of the day, or 15 minutes early if there is a party before yours.

If there is a party before yours, we ask that you wait on the front side of the gym until the party director welcomes you.

If there is a party scheduled after yours, we ask that your guests exit the gym within 10 minutes of the party ending.

### **What is the price?**

We keep a 1:6 ratio of coaches to kids. The price for a party for up to 25 kids is \$400. After 25, more guests can be added for an additional cost.

\*Tips are not necessary, but always appreciated.

\*There will be a 10% increase in price for any parties scheduled on a holiday weekend or winter break.
