We understand that health information about you and your health care is personal. JFS is committed to protecting health information about you. We create a record of the care and services you receive from us. We need this record to provide you with quality care and to comply with certain legal requirements. This notice applies to all of the records of your care generated by this mental health care practice. This notice will tell you about the ways in which JFS may use and disclose health information about you. We also describe your rights to the health information we keep about you, and describe certain obligations we have regarding the use and disclosure of your health information. We are required by law to:

- Make sure that protected health information (“PHI”) that identifies you is kept private.
- Give you this notice of our legal duties and privacy practices with respect to health information.
- Follow the terms of the notice that is currently in effect.
- We can change the terms of this Notice, and such changes will apply to all information we have about you. The new Notice will be available upon request.

II. HOW WE MAY USE AND DISCLOSE HEALTH INFORMATION ABOUT YOU: The following categories describe different ways that we use and disclose health information. Not every use or disclosure in a category will be listed. However, all of the ways we are permitted to use and disclose information will fall within one of the categories.

1. Treatment: We use and disclose your PHI within our organization to provide and coordinate social services and mental health treatment. We may also disclose your PHI to physicians, psychiatrists, psychologists, and other licensed health care providers who provide you with health care services or are otherwise involved in your care.
2. Healthcare Operations: We may use or disclose, as-needed, your PHI in order to support the operations of our organization. These activities include, but are not limited to, quality control, evaluation, training of staff and students, licensing, and conducting or arranging for other related operations.

3. Payment: We use and disclose your PHI to bill and collect payment for the treatment and services we provide you. For example: we might send your PHI to your insurance company or health plan in order to get payment for services that we have provided to you.

III. CERTAIN USES AND DISCLOSURES REQUIRE YOUR AUTHORIZATION:

1. Psychotherapy Notes. We do keep "psychotherapy notes" as that term is defined in 45 CFR § 164.501, and any use or disclosure of such notes requires your Authorization unless the use or disclosure is:
 - a. For use in treating you.
 - b. For use in training or supervising mental health practitioners to help them improve their skills in group, joint, family, or individual counseling or therapy.
 - c. For use in defending myself in legal proceedings instituted by you.
 - d. For use by the Secretary of Health and Human Services to investigate our compliance with HIPAA.
 - e. Required by law and the use or disclosure is limited to the requirements of such law.
 - f. Required by law for certain health oversight activities pertaining to the originator of the psychotherapy notes.
 - g. Required by a coroner who is performing duties authorized by law.
 - h. Required to help avert a serious threat to the health and safety of others.
2. Marketing Purposes. We will not use or disclose your PHI for marketing purposes.
3. Sale of PHI. We will not sell your PHI in the regular course of business.

IV. CERTAIN USES AND DISCLOSURES DO NOT REQUIRE YOUR AUTHORIZATION.

Subject to certain limitations in the law, JFS can use and disclose your PHI without your Authorization for the following reasons:

1. When disclosure is required by state or federal law, and the use or disclosure complies with and is limited to the relevant requirements of such law.
2. For public health activities, including reporting suspected child, elder, or dependent adult abuse, or preventing or reducing a serious threat to anyone's health or safety.
3. For health oversight activities, including audits and investigations.
4. For judicial and administrative proceedings, including responding to a court or administrative order, although our preference is to obtain an Authorization from you before doing so.
5. For law enforcement purposes, including reporting crimes occurring on our premises.
6. To coroners or medical examiners, when such individuals are performing duties authorized by law.

7. For workers' compensation purposes. Although our preference is to obtain an Authorization from you, we may provide your PHI in order to comply with workers' compensation laws.
8. Appointment reminders and health related benefits or services. We may use and disclose your PHI to contact you to remind you that you have an appointment with us. We may also use and disclose your PHI to tell you about treatment alternatives, or other health care services or benefits that we offer.

V. CERTAIN USES AND DISCLOSURES REQUIRE YOU TO HAVE THE OPPORTUNITY TO OBJECT.

1. Disclosures to family, friends, or others. We may provide your PHI to a family member, friend, or other person that you indicate is involved in your care or the payment for your health care, unless you object in whole or in part. The opportunity to consent may be obtained retroactively in emergency situations.

VI. YOU HAVE THE FOLLOWING RIGHTS WITH RESPECT TO YOUR PHI:

1. The Right to Request Limits on Uses and Disclosures of Your PHI. You have the right to ask JFS not to use or disclose certain PHI for treatment, payment, or health care operations purposes. 4. The Right to See and Get Copies of Your PHI. Other than "psychotherapy notes," you have the right to get an electronic or paper copy of your medical record and other information that we have about you. We will provide you with a copy of your record, or a summary of it, if you agree to receive a summary, within 30 days of receiving your written request, and we may charge a reasonable, cost based fee for doing so.
5. The Right to Get a List of the Disclosures We Have Made. You have the right to request a list of instances in which we have disclosed your PHI for purposes other than treatment, payment, or health care operations, or for which you provided me with an Authorization. We will respond to your request for an accounting of disclosures within 60 days of receiving your request. The list provided will include disclosures made in the last six years unless you request a shorter time. We will provide the list to you at no charge, but if you make more than one request in the same year, we can charge you a reasonable cost based fee for each additional request.
