*\*Spray features turned off until 11am*

### Waterslides & Snack Bar

Monday – Friday	Closed
Saturday – Sunday	12:00PM – 5:00PM

## Lap Swimming Etiquette

- When only one person is in the lane, they can swim on either side of the lane.
- When two people are in the lane, they can split the lane or circle swim.
- When three or more people are in the lane, they will circle swim.
- Look at the speed of the swimmers in the lanes and select a lane that is compatible with your skill. Notify the other swimmers in that lane that you would like to join them.
- When entering the water, never dive, jump, or push off into oncoming swimmers. Wait until they have made the turn and pushed off.
- If you need to pass a slower swimmer, please tap their foot. This alerts them to move further to the right to make room or to stop at the wall, so you may pass. Slower swimmers must yield to faster swimmers.
- If you need to stop while sharing a lane, please move off to the side to avoid interrupting other swimmer(s) in the lane. Do not stop in the middle of the lane.
- Be considerate of your lane partners. Be aware of your space in the lane and the orientation of others.
- Consult lifeguard for assistance.
